

Got Dust?

DUST CONTROL APPLICATION – 2023 SEASON

Product Used: Magnesium Chloride

- **Application and payment must be received in our office by May 1st.**
- Specific application dates are based on when the County has prepared the roads and authorized us to begin spraying. Dates are subject to change and are impacted by weather. The first application occurs Mid-May through Mid-June. The second is approximately 60 days after the first application.
- Applicant agrees to maintain flags to mark outer limits of the area to be treated. **Flags must be in place May 1st until October 31st.** Failure to do this could result in the area being bladed. Neither the County nor Heffron Services assume any liability if your flags are not in place. If area is not marked, drivers will either center on your house or use their best judgment for location.
- Our trucks are equipped with computer equipment that allows us to spray the exact amount of footage ordered. If your flags are set longer than the footage paid for, your dust control will not reach both flags. If your flags are set shorter than the footage paid for, your dust control will extend past your flags.
- The county reserves the right to blade the treated area to maintain the public safety. Your road will be bladed after October 1st.
- Heffron Services, Inc. does not guarantee the performance of the product due to factors such as weather, surface preparation, gravel materials, heavy traffic patterns and maintenance of the roadway.
- **Include payment with this application.** We will cash your check after the first application, or May 15th whichever is earlier.

Both Treatments
May Treatment Only
August Treatment Only

Permit Fee Schedule

Deadline:	Annual Permit (both treatments) / Initial treatment	- May 1 st
	Second treatment	- July 15 th

<input type="checkbox"/>	Permit Fee before deadline	\$20.00
<input type="checkbox"/>	Any permit received after deadline (May 1 st or July 15 th)	\$45.00

If more than two (2) treatments are desired, the applicant must already have an annual permit and the Davis County Highway Department must be given a two week notice. There will be a \$20.00 fee for each additional treatment.

This permit is subject to the following conditions:

1. The applicant shall obtain this permit as outlined in the Davis County Policy in order to give the Davis County Highway Department time to prepare the roadway surface.
2. Only Calcium Chloride or Lignin Sulfate (tree sap) will be approved. Used motor oil will **not** be approved for application as dust control.
3. The Highway Department will maintain/grade the road surface if it is needed, as determined by the County Engineer or his designee. The Highway Department will strive to keep damage to dust treated areas to a minimum, but the Department will perform needed maintenance. Areas disturbed by maintenance activities will not be re-treated by Davis County.
4. The Highway Department may destroy dust treated areas after the first day of October as part of its routine maintenance.
5. Residents must keep their dust control location marked with flags, until October 1st.
6. This agreement expires on December 31st of the present year.

We, the undersigned, hereby make application to Davis County for the permission to apply ____ **Calcium Chloride/** ____ **Lignin Sulfate (tree sap)** for the purpose of dust control at the following described location:
